freshness of youth. Thin hair is thickened, falling hair checked, and

baldness often, though not always, cured by its use. Nothing can re-

store the hair where the follicles are

destroyed, or the glands atrophied

and decayed. But such as remain

can be saved for usefulness by this

application. Instead of fouling the hair with a pasty sediment, it will

occasional use will prevent the hair

from turning gray or falling off, and consequently prevent baldness. Free from those deleterious sub-

stances which make some prepara-tions dangerous and injurious to

the hair, the Vigor can only benefit but not harm it. If wanted merely
